SCRISOARE DE MOTIVARE A CANDIDATURII

Stimați colegi,

Redactez această scrisoare pentru a motiva candidatura pe care mi-o depun pentru poziția de membru al CSUD al Universității de Vest din Timișoara, ca reprezentant extern.

În prezent sunt profesor universitar în cadrul Facultății de Psihologie și Științele Educației din Universitatea din București, unde ocup poziția de director al Școlii Doctorale în Psihologie și Științele Educației. Am de asemenea poziția de profesor extraordinar în cadrul Universității Stellenbosch, unde activez în departamentul de psihologie industrială. Am o activitate științifică intensă, atât în România cât și în plan internațional și am participat la creionarea unor politici publice în domeniul educațional (de exemplu, sunt încă implicat în proiectele de testare comparativă PIAAC și PISA-VET ale OECD). Aceste lucruri oferă o oarecare confirmare privind competența mea pentru poziția pe care o vizez.

Legătura mea cu Universitatea de Vest din Timișoara este însă un argument potențial mai important. Am avut și continui să am relații strânse de colaborare științifică, didactică și de reprezentare în organizații ale profesiei cu mulți colegi din Universitatea de Vest. A existat în trecut un moment, în urmă cu 10 ani, înainte de a face pasul către Universitatea din București, în care se prefigura pentru mine o carieră în Universitatea de Vest. Atunci – și de atunci încolo – am fost deseori implicat în discuții și consultări colegiale în aspecte importante legate de politica științifică a Universității de Vest la nivelul unor departamente, facultăți sau chiar al universității. Cunosc de aceea destul de bine Universitatea de Vest, de care mă leagă o oarecare experiență și o prietenie importantă pentru mine.

Oportunitatea de a contribui la un for atât de important precum CSUD, ca membru extern, este de aceea semnificativă pentru mine.

Cu colegialitate,

23 aprilie 2024
