

Cultural Heritage Outreach in RomAnce Languages

Despite facing challenges, Europe's rich cultural tapestry remains resilient and vibrant. The diversity of European cultural heritage presents opportunities for knowledge and growth as it confronts a multitude of issues. Therefore, it necessitates a unified approach. With the support of the Marie Skłodowska-Curie Actions programme, the CHORAL project aims to bridge gaps and strengthen societal resilience. Tied to the UNITA European Universities alliance and its Cultural Heritage Hub, CHORAL encourages collaborative research among universities with a shared Romance language heritage. This strategic initiative aims to address pressing challenges, empowering communities and building a collective foundation for the preservation of Europe's cultural identity. CHORAL began on September 1st 2024, and will finish on August 31st 2029.

CHORAL is financed through EU Marie Skłodowska-Curie Actions (MSCA): HORIZON-MSCA-2022-COFUND-01-01 (HORIZON-TMA-MSCA-Cofund-D).
