03.09.2025-06.09.2025	Graduation exams - bachelor's and master's degree and graduation exams for psycho-pedagogical training programs	4 days
29.09.2025	Start of the academic year 2025-2026	

*The teaching activities in the second semester for the final years of the Bachelor's and Master's degree cycles will be scheduled in the timetable for **12 weeks**, but will be scheduled in only 4 days/week, the other day being dedicated to the elaboration of the graduation thesis.*

Remaining exams from previous years may be taken in any examination session (corresponding to the semester in which the subject was taken), provided that the re-examination or re-sitting fees, as the case may be, have been paid and the obligations set out in the discipline sheet have been fulfilled by the students.

In session C, first semester exams are scheduled in the first part of the day (8 am – 1 pm) and second semester exams are scheduled in the afternoon (3 pm – 8 pm).

Depending on the date for which the national examination for tenure in pre-university education will be set, upon the proposal of the WUT Faculty Councils, the UVT Vice-Rector responsible for educational innovation, academic career and student relations is empowered to approve changes to the structure of the academic year for the final years in order to support the participation of WUT students in this examination. Also, upon proposal of the WUT Faculty Councils, the Vice Rector is empowered to approve extensions to the admission process.

For the students of the Faculty of Physical Education and Sport participating in major national and international competitions, recognized as such by the faculty's management through a decision of the Faculty Council, the C exam session and the final exams can be organized in other periods than those established by this structure, with the approval of the Faculty Council and the approval of the Vice-Rector in charge.

STRUCTURE OF THE ACADEMIC YEAR 2024-2025

Preparatory year for Romanian language
